

Lincoln Trail Workforce Development Board
Request for Proposal
Youth Services

The Lincoln Trail Area Development District (LTADD), local subgrant recipient for the Lincoln Trail Workforce Development Board (LTWDB) seeks proposals from any governmental, not-for-profit, educational institution or for-profit entity to provide a series of program elements concurrently to young adults (out-of-school youth ages 18-24). Programming should be innovative and tap into other community resources for other services that may be needed for successful participation by the youth. The Lincoln Trail Workforce Development Area covers eight central Kentucky counties – Breckinridge, Grayson, Hardin, Larue, Marion, Meade, Nelson and Washington.

Background

President Barack Obama signed the Workforce Innovation and Opportunity Act (WIOA) into law July of 2014. The Act provides for increased flexibility for local workforce boards to prioritize needs for their local/regional economies and to respond to the need in more efficient and effective ways. In the National Association of Workforce Board’s publication “The Workforce Innovation and Opportunity Act (WIOA) ‘Driving Innovation, Collaboration and Performance’ it says WIOA seeks to increase innovation and opportunities by:

Innovation

- How the systems works collaboratively to serve both business and jobseekers;
- Increase opportunities for individuals with significant barriers, including those with disabilities to access competitive employment; and
- How we use technology to increase the prosperity of the workforce.

Opportunity

- Businesses are able to fill open positions with highly skilled/qualified applicants;
- Individuals who have significant barriers to employment are able to access education and training that leads to employment recognized credentials and jobs that pay well; and
- The workforce system is aligned strategically with social services, education and economic development.” (NAWB)

While WIOA maintains the goal of assisting individuals to find and retain jobs through provisions of training, education, supportive services, and employment, there are some significant changes under WIOA Title I Youth services. Specifically, under the previous program WIA, focus was on provision of services to in-school youth and WIOA has shifted to a minimum of 75% of funds must be used to provide

services to out-of-school youth. Other significant changes are extending youth age eligibility to 24, and 20% of the funds must be spent on work experiences that are incorporated with work-based learning strategies.

The purpose of this solicitation is to assist out of-school youth ages 18 -24 with the following:

- Employment preparation – job readiness/soft skills training combined with work experience in a public, private for profit, or non-profit organization or business. Work experience must be tied to one of the high-demand sectors in the region: **Construction, Healthcare, Manufacturing, Transportation, Distribution and Logistics, and Business and Technical Services.** If at all possible, it is desired to link work experience to programs such as KY FAME.
- Career exploration – Workshops and case management activities.
- Financial Literacy – Workshops and case management activities.
- Post-secondary Guidance – Workshops and case management activities.
- Unsubsidized employment and/or Post-Secondary Attainment – Follow-up services.

Youth served will be recruited from all counties in the region but is highly recommended that bidders evaluate the youth interest and the community need for the proposed program to ensure that performance outcomes are attainable. WIOA funds cannot be used to duplicate existing programs in the area, nor can the funds be used to supplant other funds/programs in the area.

- The maximum amount available through this solicitation is \$175,000.
- The proposal may include staff to oversee and provide direct services including payroll for paid work experience and workshop participation.
- Contract period is on or about May 23, 2017 – September 30, 2017.
- Work Experience Duration – Six weeks.
