

FREE Training/Services

Free training and services are offered to recently dislocated workers within our service region.

Recently Unemployed?

Losing a job is one of life’s most stressful events, affecting both you and your loved ones. How you transition through this difficult time can make all the difference in your future.

Fortunately, there are people and organizations in our community who are committed to providing information and services that can help you make decisions in the coming days.

Elizabethtown Community and Technical College (ECTC) and other local agencies have partnered to offer free services that can help you understand your options as you ask yourself, “What now? Where do I go from here?”

This is a great time for you to...

- > Evaluate your career path
- > Improve your skillset
- > Earn a certificate
- > Obtain a degree
- > Update your resume
- > Begin the search for the perfect job

Whichever path you choose, ECTC is here to help you as you start your new journey.

ECTC is located in the **Heart of Central Kentucky** and currently offers classes at five different locations within Hardin, Washington, Grayson and Meade counties, serving residents in 10 counties within the surrounding area.

Basic Computer Skills is a short, four-hour training session that will review the basics of how-to operate a computer and navigate the internet.

This knowledge will be essential when looking for employment. Learn how to apply for positions and communicate with employers using email to send your resume and/or application.

> *Class space is limited, call Workforce Solutions at 270-706-8700 to reserve your spot in the class.*

Continuing Education and Job Training can be intimidating for some. Many are concerned about the cost of college, the time commitment involved, and other challenges.

ECTC offers **FREE Consultation** with your very own **Success Coach** to help you navigate through the process. Work with a Success Coach to guide you through choosing a pathway and funding your education to completing a program.

> *Call Mary Donovan at 270-706-8620 to schedule an appointment.*

Work/Life Experience is valuable! The experience and training you have received on your job can also be recognized by our educational institute for college credit. This can accelerate your ability to earn credentials, certificates and even a college degree. ECTC has a Credit for Prior Learning Coordinator who will walk you through the process of how this is done.

> *Call Meaghan Lindsey at 270-706-8745 to schedule an appointment.*

You could go **Tuition Free** with the Work Ready Scholarship to obtain an industry recognized certificate, diploma or associates degree. Approved programs must be in one of Kentucky’s five high-demand industry sectors:

- Advanced Manufacturing
- Business and IT
- Transportation and Logistics
- Healthcare
- Construction Trades
