Find A JOB

Explore in-demand career paths.

Our team stays up-to-date on in-demand skills and works with a variety of employers. This allows us to help job seekers find new opportunities that match their experience and interests.

We will also provide one-on-one assistance to help you make the best first impression with employers.

We assist with:

- Writing a great resume and cover letter
- Completing applications
- Preparing for interviews

TRAIN FOR A JOB

Having a career credentia — like a certificate or a degree — can help you qualify for a job, earn a promotion or increase your wages. There are also short-term training opportunities to help you gain an edge in the job market more quickly.

We will help you determine if you are eligible for tuition assistance and other types of support. Training assistance is often available in high-demand occupations.

WORK-BASED LEARNING EXPERIENCES

Work-based learning experiences can help you make informed career choices, gain new skills and learn
on the job while getting paid. Our team will help you explore career paths and develop the skills necessary to succeed.

Visit A CAREER CENTER

There are five one-stop career centers across the Lincoln Trail region to serve you. Our staff members will welcome you and provide one-on-one assistance to help determine your path to success. No appointment is necessary for career services.

* See our "Directory of Services flyer for a full list of workforce services partners.

CAREER WORKSHOPS

Career workshops are offered regularly at the career centers. Classes and schedules vary, so be sure to check our website for the latest information.

JOB FAIRS

We host online job fairs the first and third Tuesdays of the month, and by employer request. In-person job fairs are held regularly throughout the year.

KENTUCKY ADULT EDUCATION

These programs help job seekers earn a GED, gain basic skills like reading and math and/or learn English as a second language.
